Arabian Dyar, part of the SHAHM Holding Company, stands as a pioneering force in real estate and construction development within the Kingdom of Saudi Arabia. Since its establishment in 2011, the company has built a distinguished track record of delivering excellence, developing, selling, and handing over thousands of new units across the Kingdom.

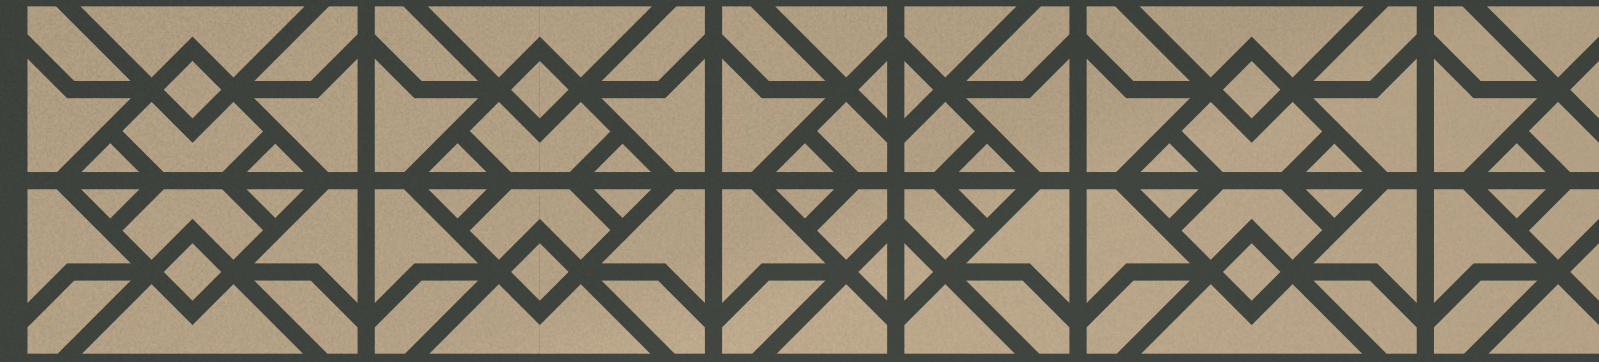

Driven by a commitment to quality and innovation, Arabian Dyar develops a diverse portfolio of real estate projects, including integrated urban communities, luxury residential developments, and commercial and logistics projects. Each development combines thoughtful design, sustainability, and superior craftsmanship to meet diverse needs while reflecting the company's commitment to the highest international standards.

Masar Destination

A qualitative urban destination designed to fulfill the unique needs of visitors.

Two 80-meter-wide main vehicular roadways

A safe, 60-meter-wide shaded pedestrian boulevard extending directly to the Haram

An integrated transport network including the Haramain High-Speed Railway Makkah Metro and advanced bus fleets

An underground infrastructure separating vehicular traffic and services from pedestrian walkways and parks

Why is it an ideal residential destination?

The spiritual proximity, just minutes away from the Holy Mosque courtyards

Premium, gated residential communities

A wide range of green spaces and open public parks

Health centers, schools, government facilities, shopping centers, and restaurants

Why is it an ideal investment destination?

Sustainable demand and constant influx of visitors near the holiest site

Global hospitality partnerships enhancing real estate and tourism value

A range of opportunities including hospitality, retail, and recreation

High operational returns driven by the Hajj and Umrah seasons
