IZGHAWA

HOME, WITHOUT THE WAIT

Some homes ask you to imagine. To picture the trees grown in, the neighbours moved in, the streets settled. The Ocean Villas asks nothing of the sort.

Here in Izghawa, the neighbourhood is already there. The schools, the parks, the quiet residential streets. The villas are finished, the keys are ready, and the only thing left to do is move in.

IN THE CITY, AWAY FROM THE RUSH

Izghawa is one of Doha's quieter residential pockets, the kind of district families choose and then stay in.

Wide villa streets, a park down the road, a health centre three minutes away. The expressway is close enough that the rest of the city is never far, and far enough that you never hear it.

Education City and Doha Festival City sit ten minutes out. Home sits well outside the noise of both.

SHARED GROUND, MOMENTS FROM YOUR DOOR

Beyond your walls, the compound opens up. A pool for long afternoons. A gym that asks nothing more than walking downstairs. A clubhouse where neighbours become familiar faces.

It is the part of family life that is hard to design for and easy to feel — children with somewhere safe to go, and parents who never have to drive them there.

ROOM FOR EVERYONE UNDER ONE ROOF

More than dimensions, space here becomes possibility. Five bedrooms, a maid's room, and a driver's room provide comfort for every member of the household.

This villa is a sanctuary designed to grow with your family's journey.

GROUND FLOOR

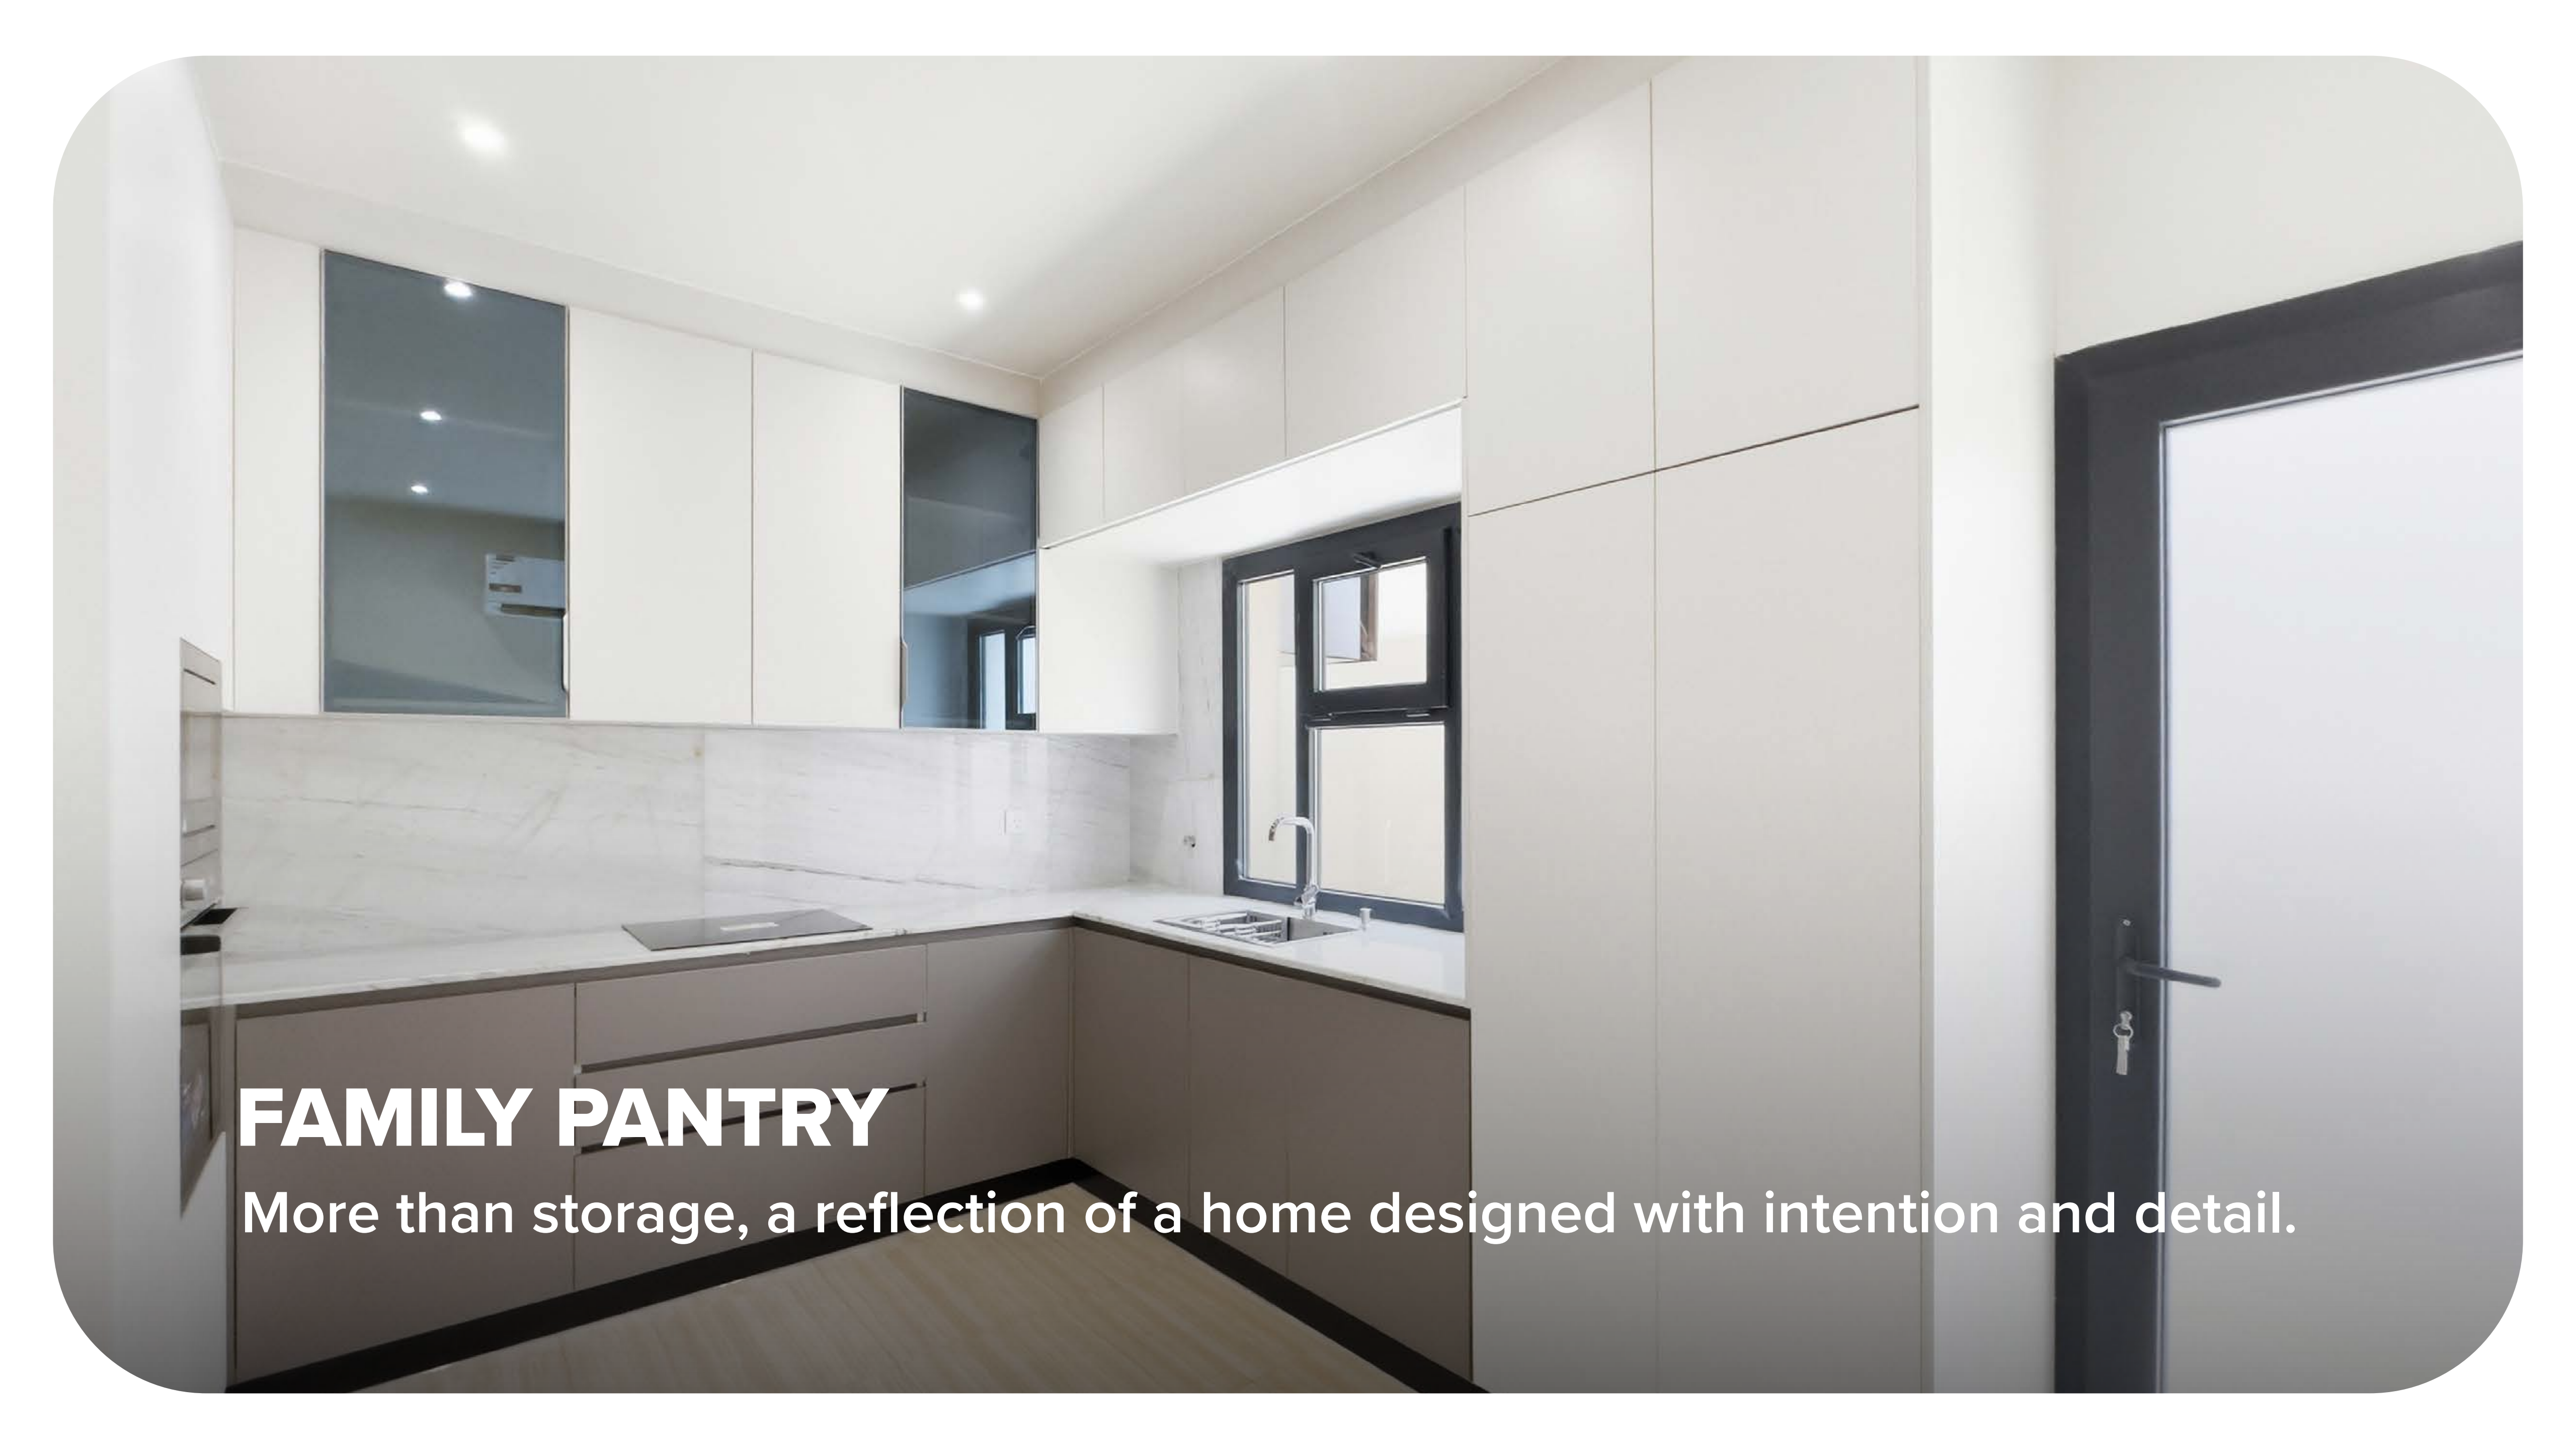

MAJLIS

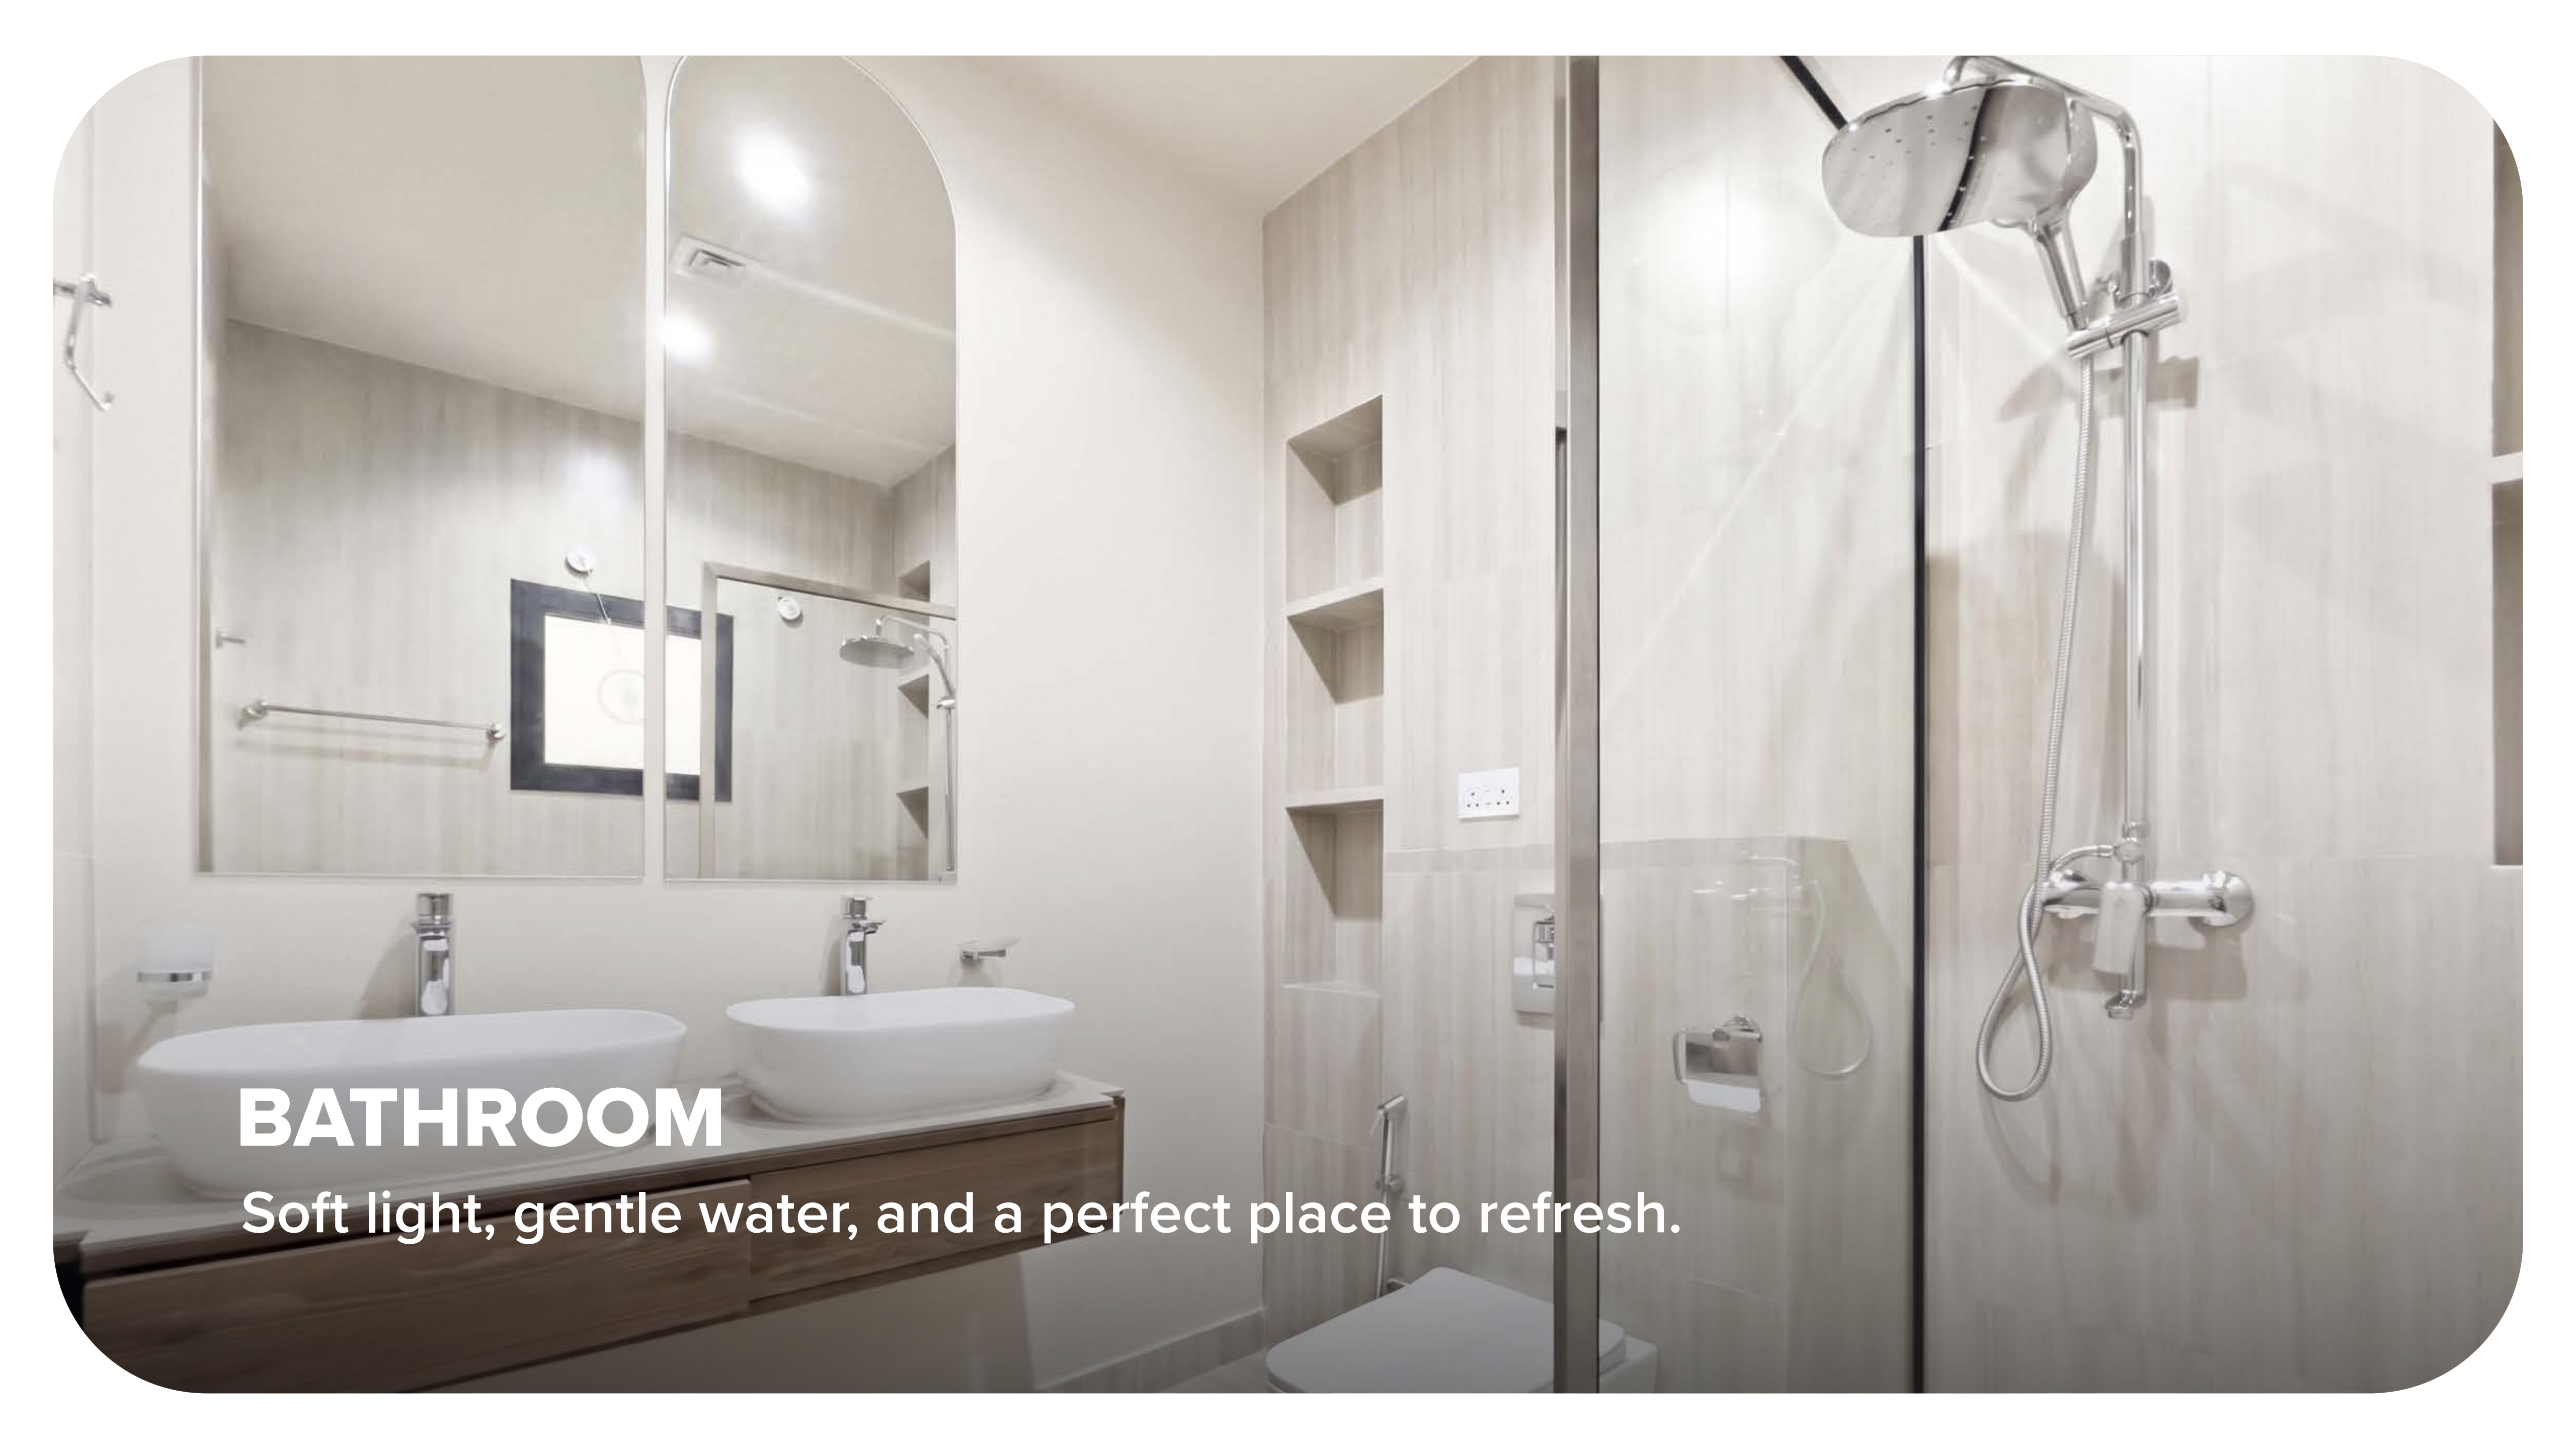

A modern family living room with a light beige sectional sofa, a round wooden coffee table, and a dark wood TV stand. The room features a large window with grey curtains, a white air conditioner, and a framed abstract painting. The ceiling has recessed lighting, and the walls are a neutral tone. A dark door is visible in the background.

FAMILY LIVING ROOM

A modern family pantry with white cabinetry, a marble countertop, and a window. The space is clean and minimalist, featuring a white countertop with a marble pattern, a stainless steel sink, and a window with a black frame. The cabinetry is white with a flat-panel design, and the floor is made of light-colored wood. The overall aesthetic is bright and airy.

FAMILY PANTRY

More than storage, a reflection of a home designed with intention and detail.

BATHROOM

Soft light, gentle water, and a perfect place to refresh.

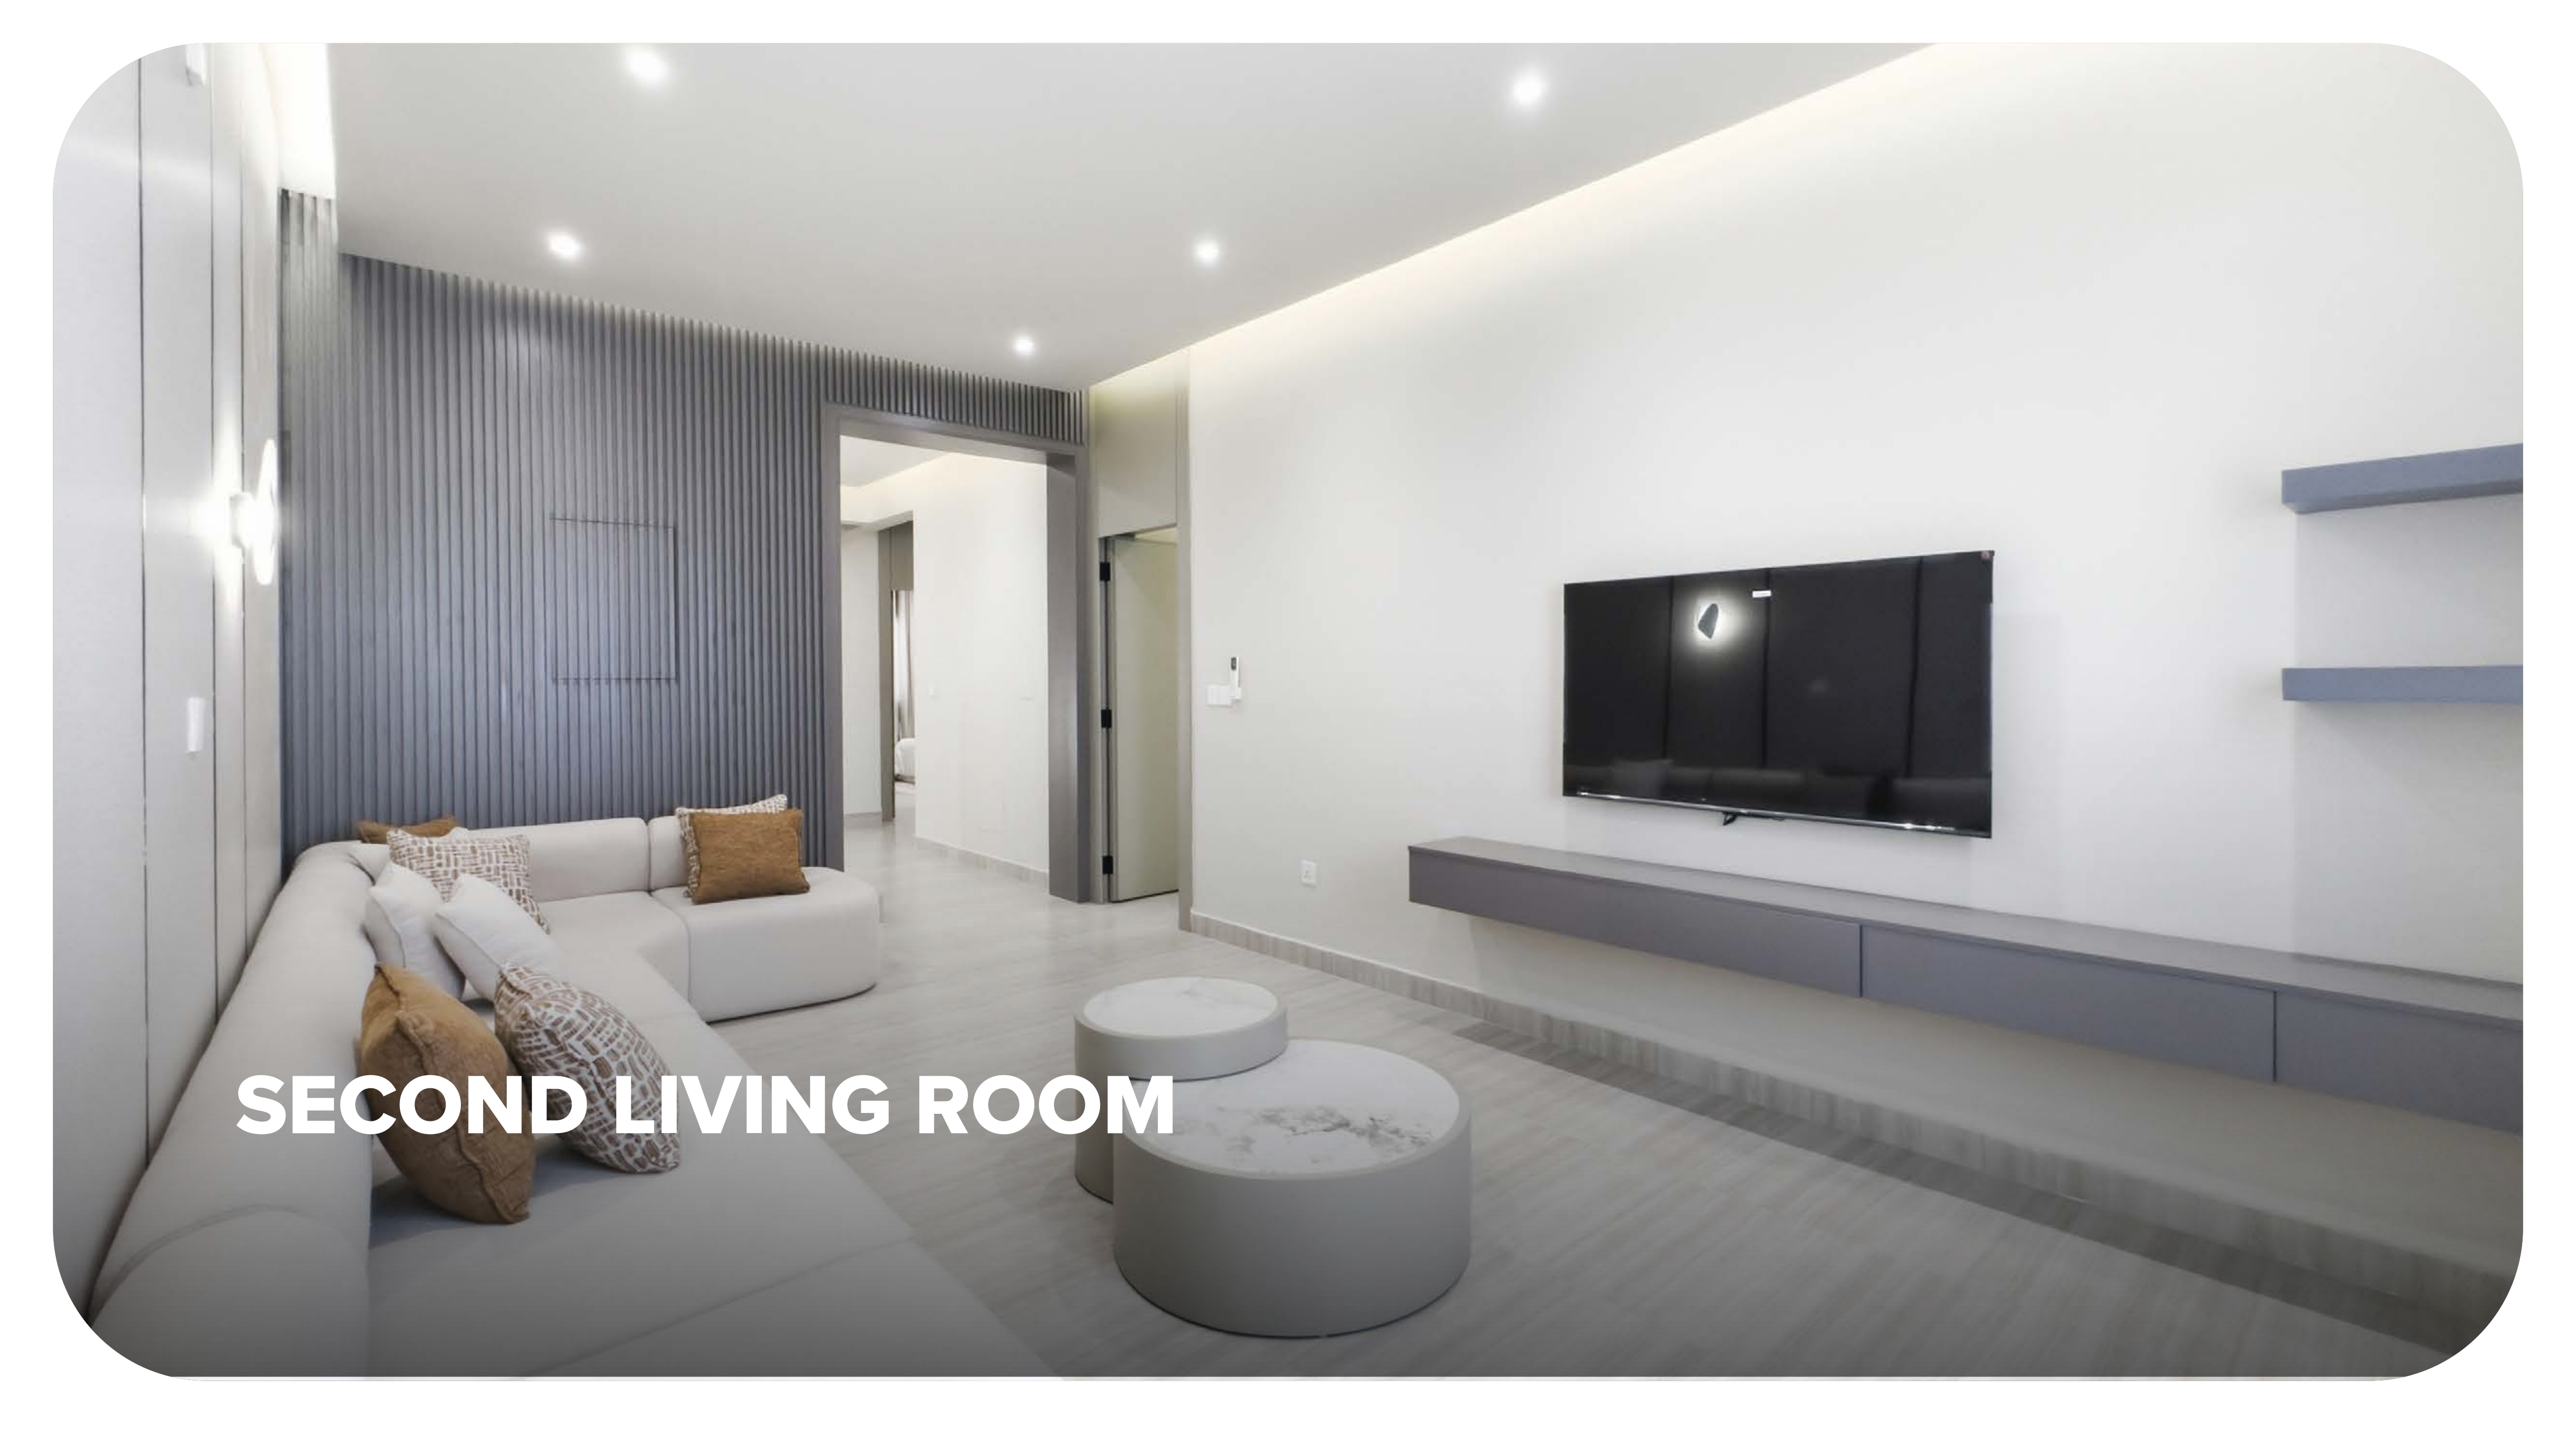

WHERE THE DAY WINDS DOWN

Upstairs, the house softens. Bedrooms sit away from the noise of the ground floor, each with its own dressing room and bath.

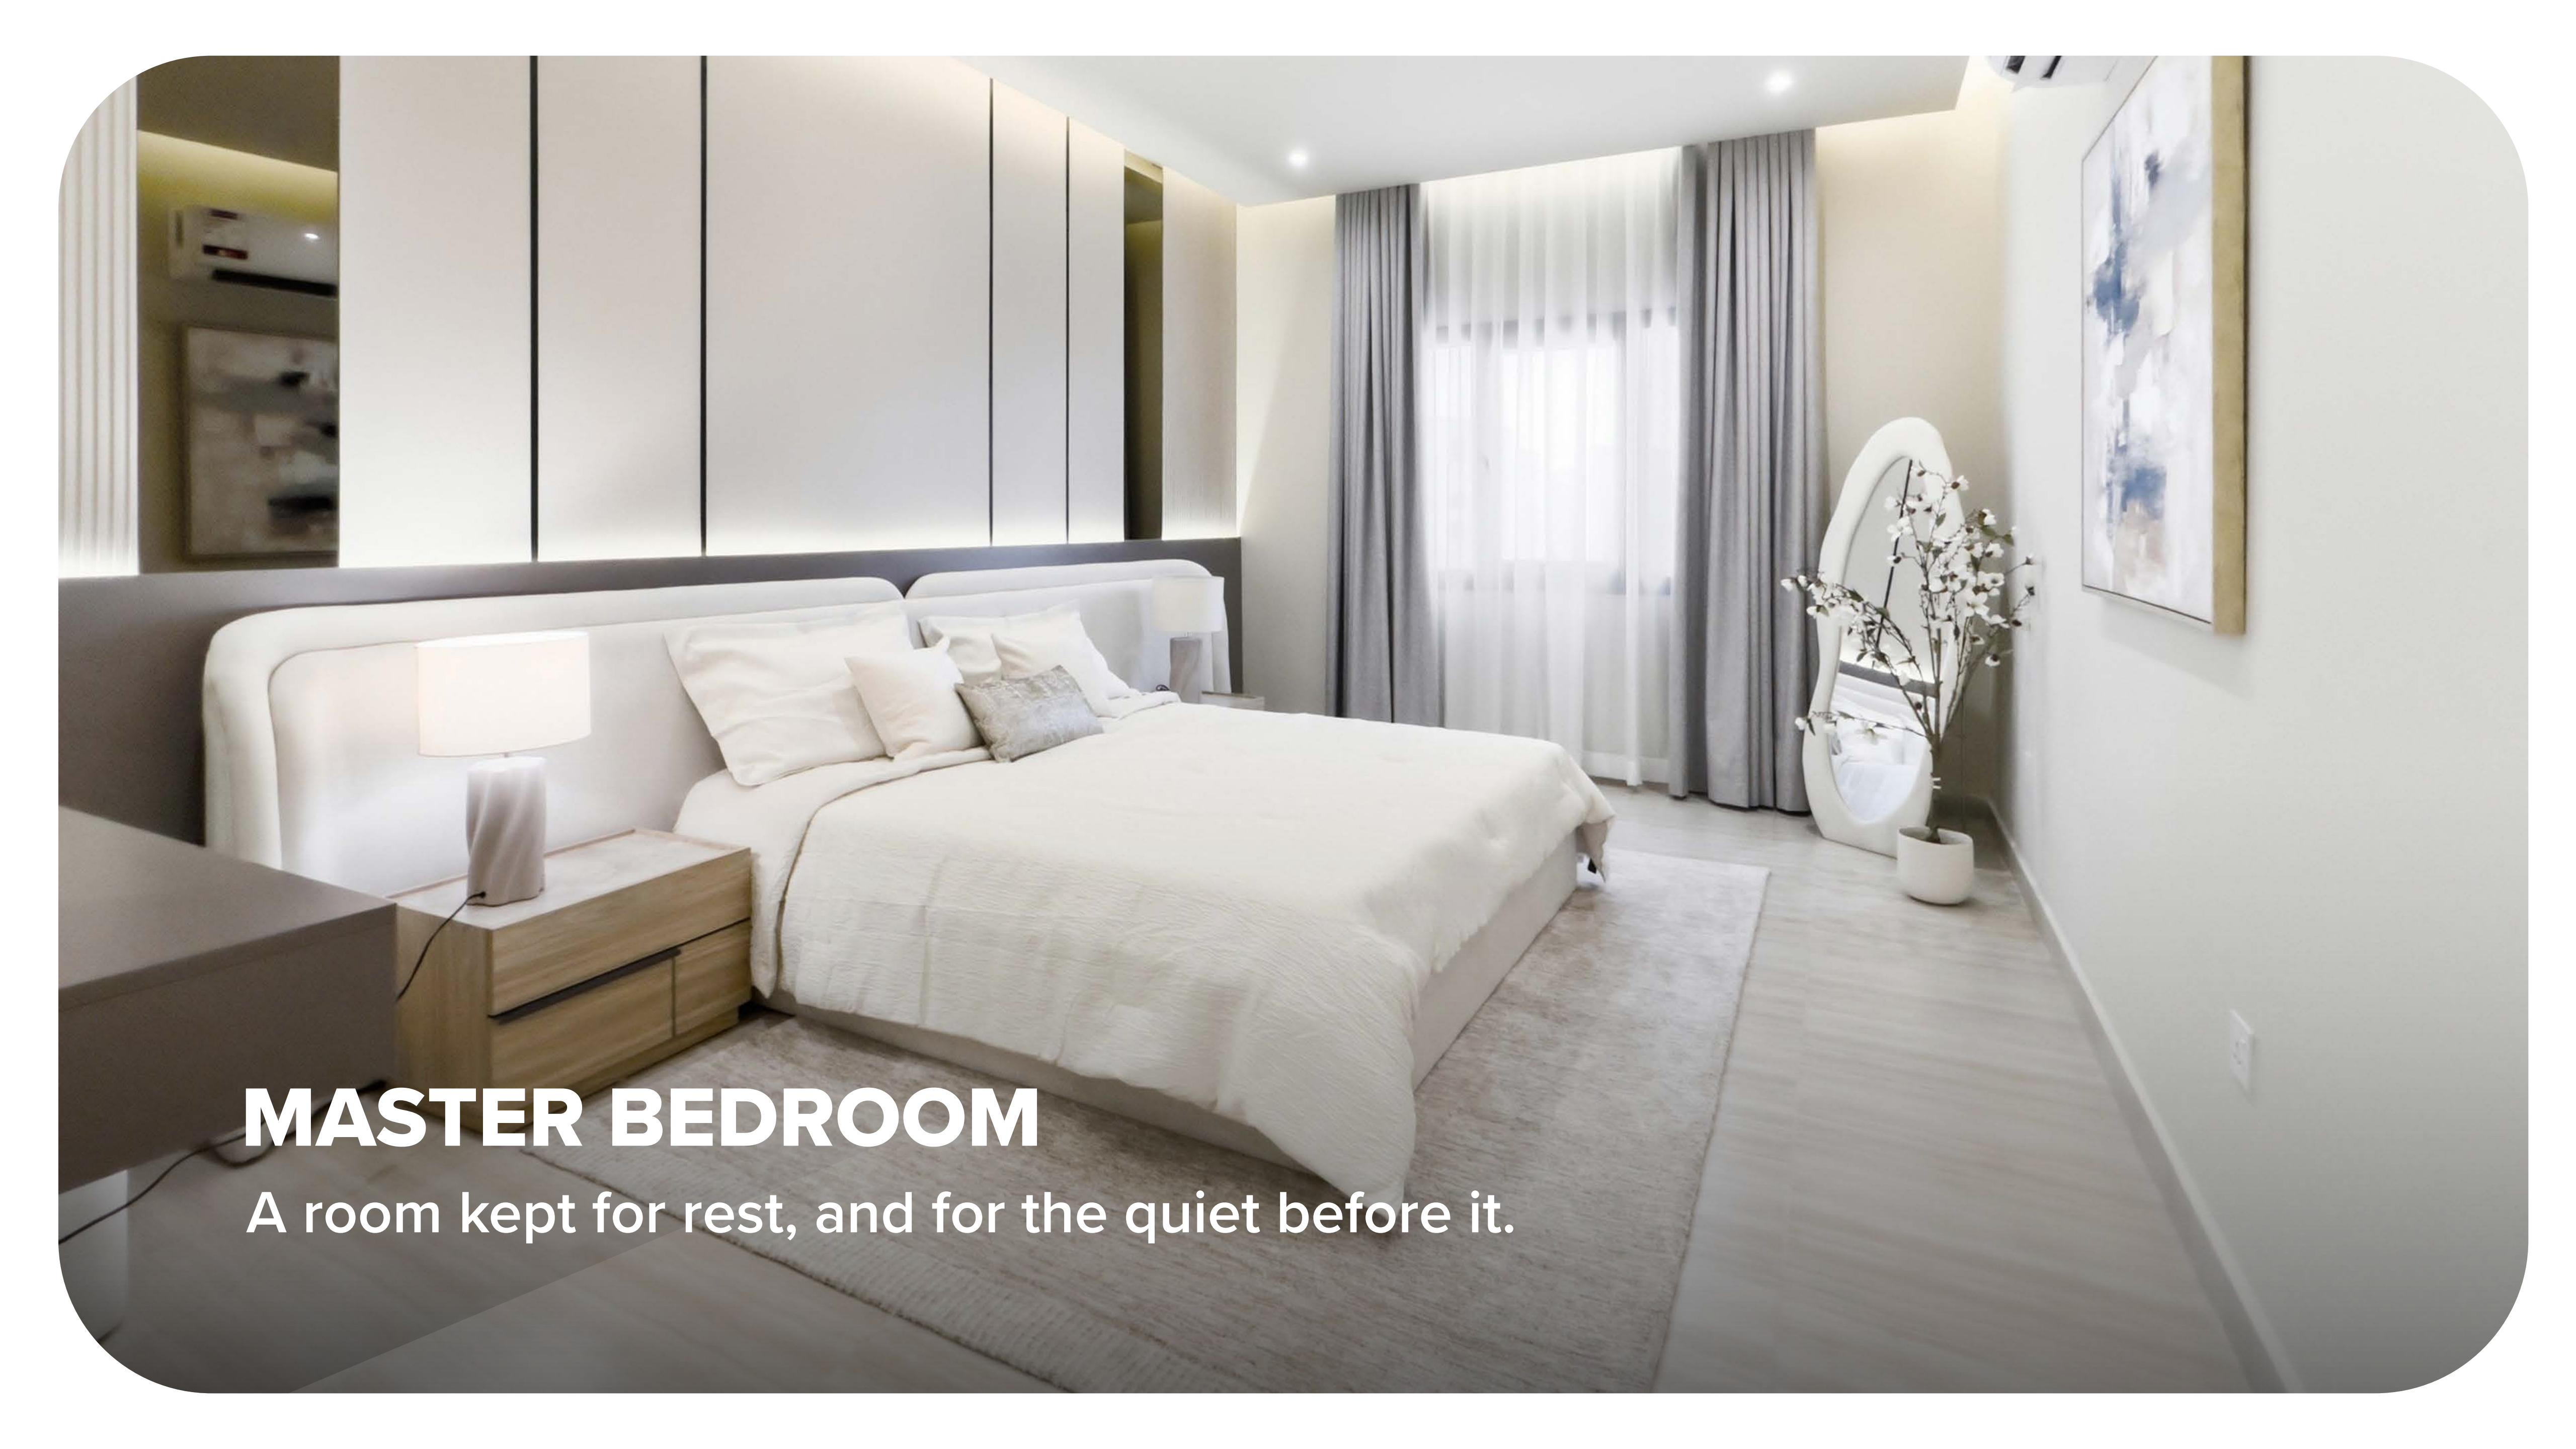

Wardrobes and dressing rooms are already fitted, so the rooms are ready to be lived in rather than furnished first.

FIRST FLOOR

SECOND LIVING ROOM

A modern master bedroom featuring a large bed with a white headboard and bedding. The bed is flanked by wooden nightstands, each with a lamp. A large window with grey curtains is visible in the background. The room has a light-colored wooden floor and a large rug. A white oval mirror and a vase with white flowers are on the right side of the room. A framed abstract painting is on the wall to the right.

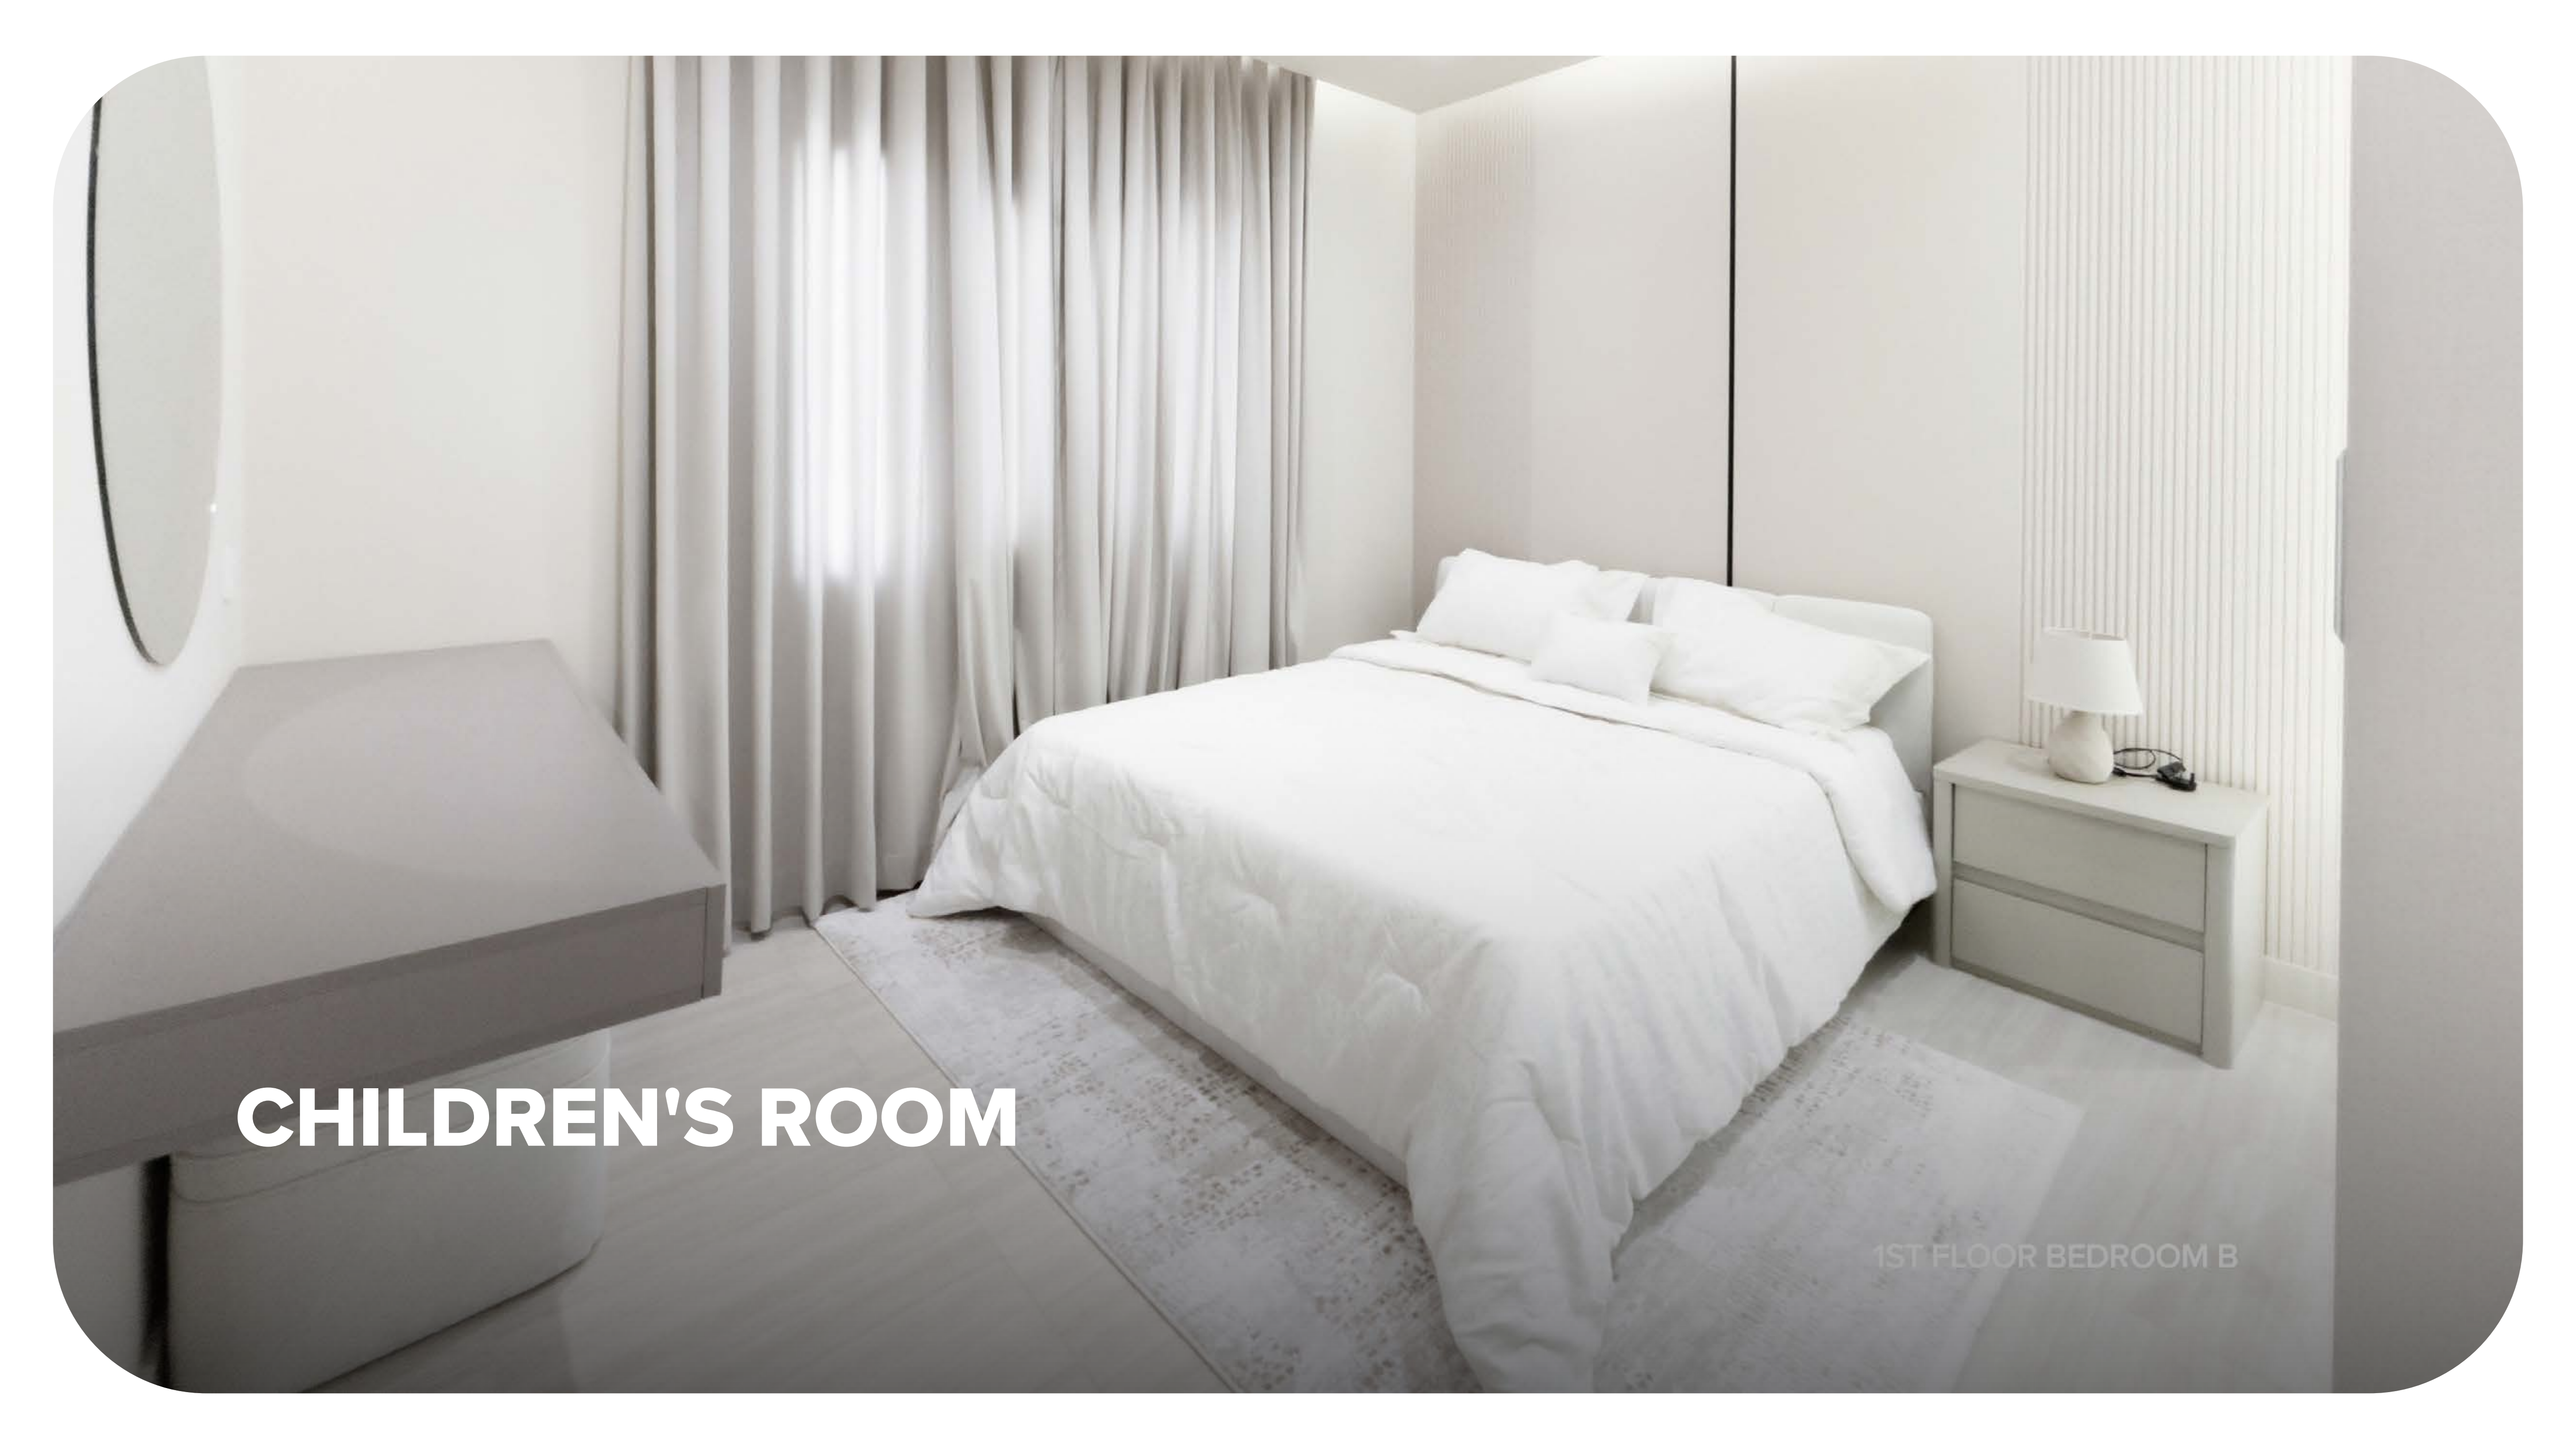

MASTER BEDROOM

A room kept for rest, and for the quiet before it.

BEDROOM

A modern, minimalist bedroom with a large bed, a desk, and a nightstand. The room features light-colored walls, a large window with sheer curtains, and a light-colored rug. The bed is dressed in white linens and has several pillows. A desk with a curved edge is on the left, and a nightstand with a lamp is on the right. The overall aesthetic is clean and contemporary.

CHILDREN'S ROOM

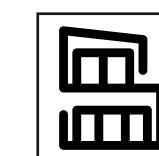

1ST FLOOR BEDROOM B

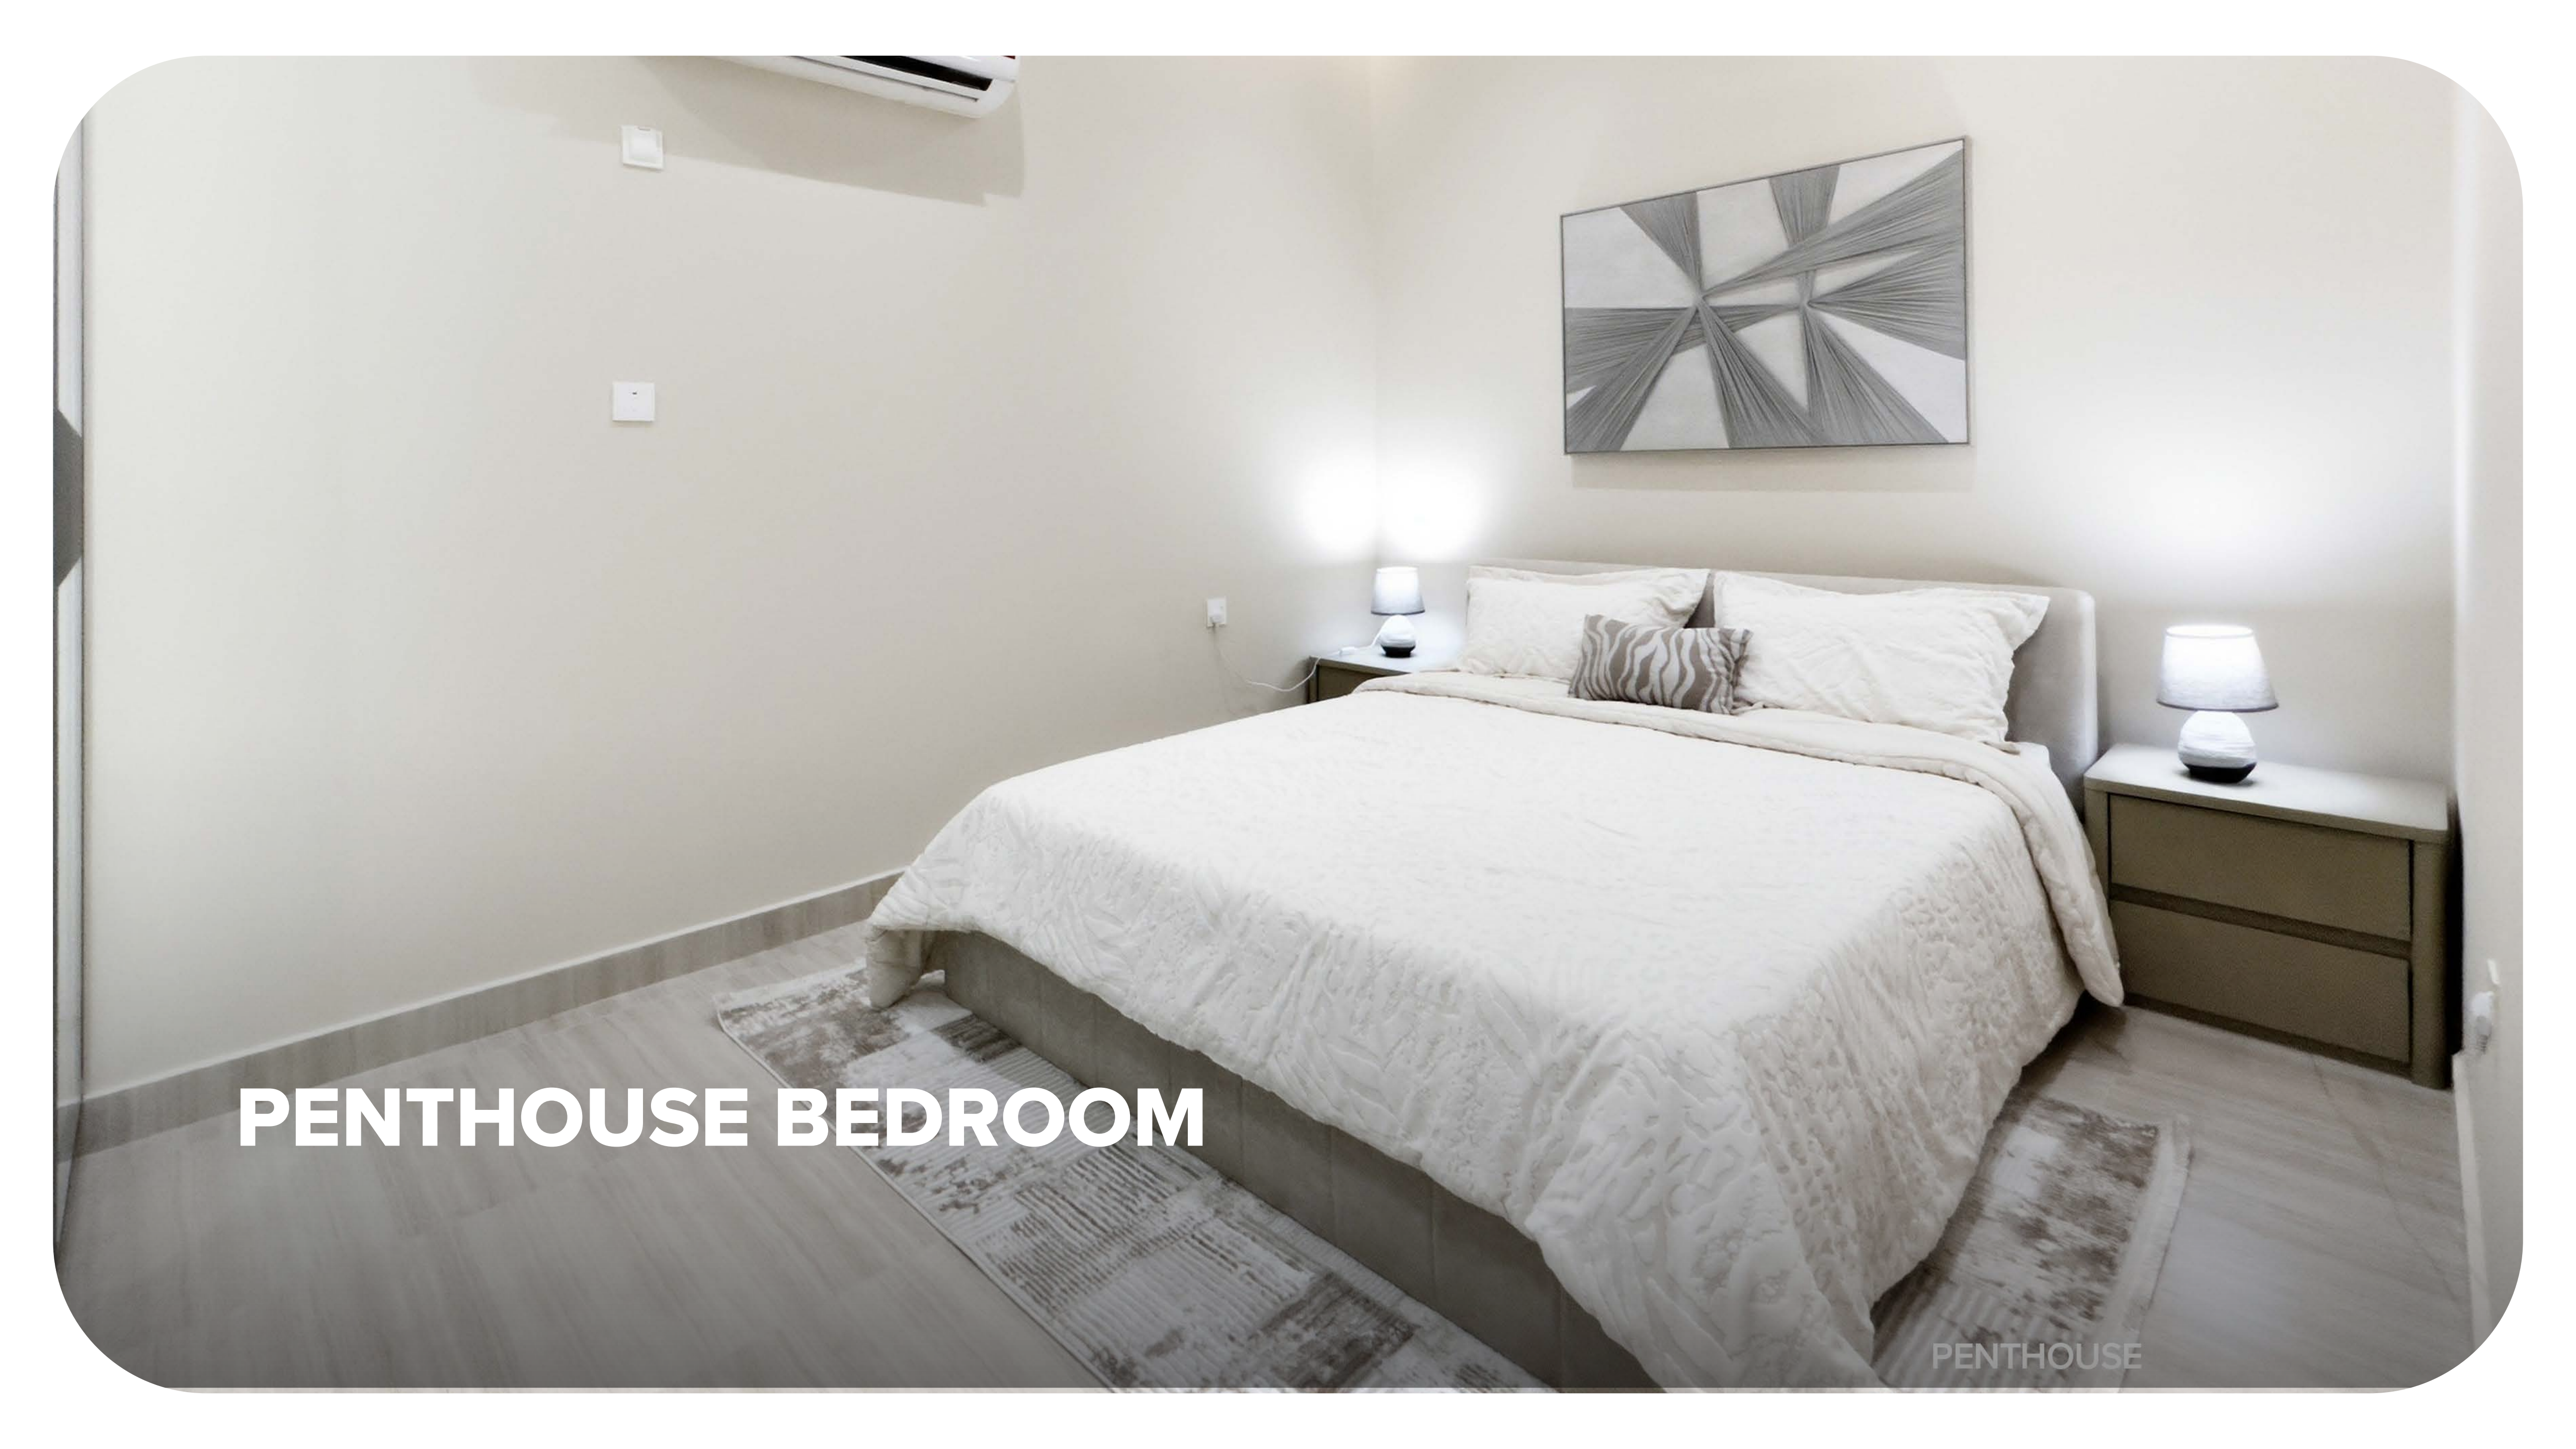

A FLOOR OF YOUR OWN

The penthouse level sits above the rest of the home, with its own sitting room, bedroom and bath.

It is the part of the villa that belongs to no one in particular and everyone in turn — a guest suite, a retreat, a room to close the door on the day.

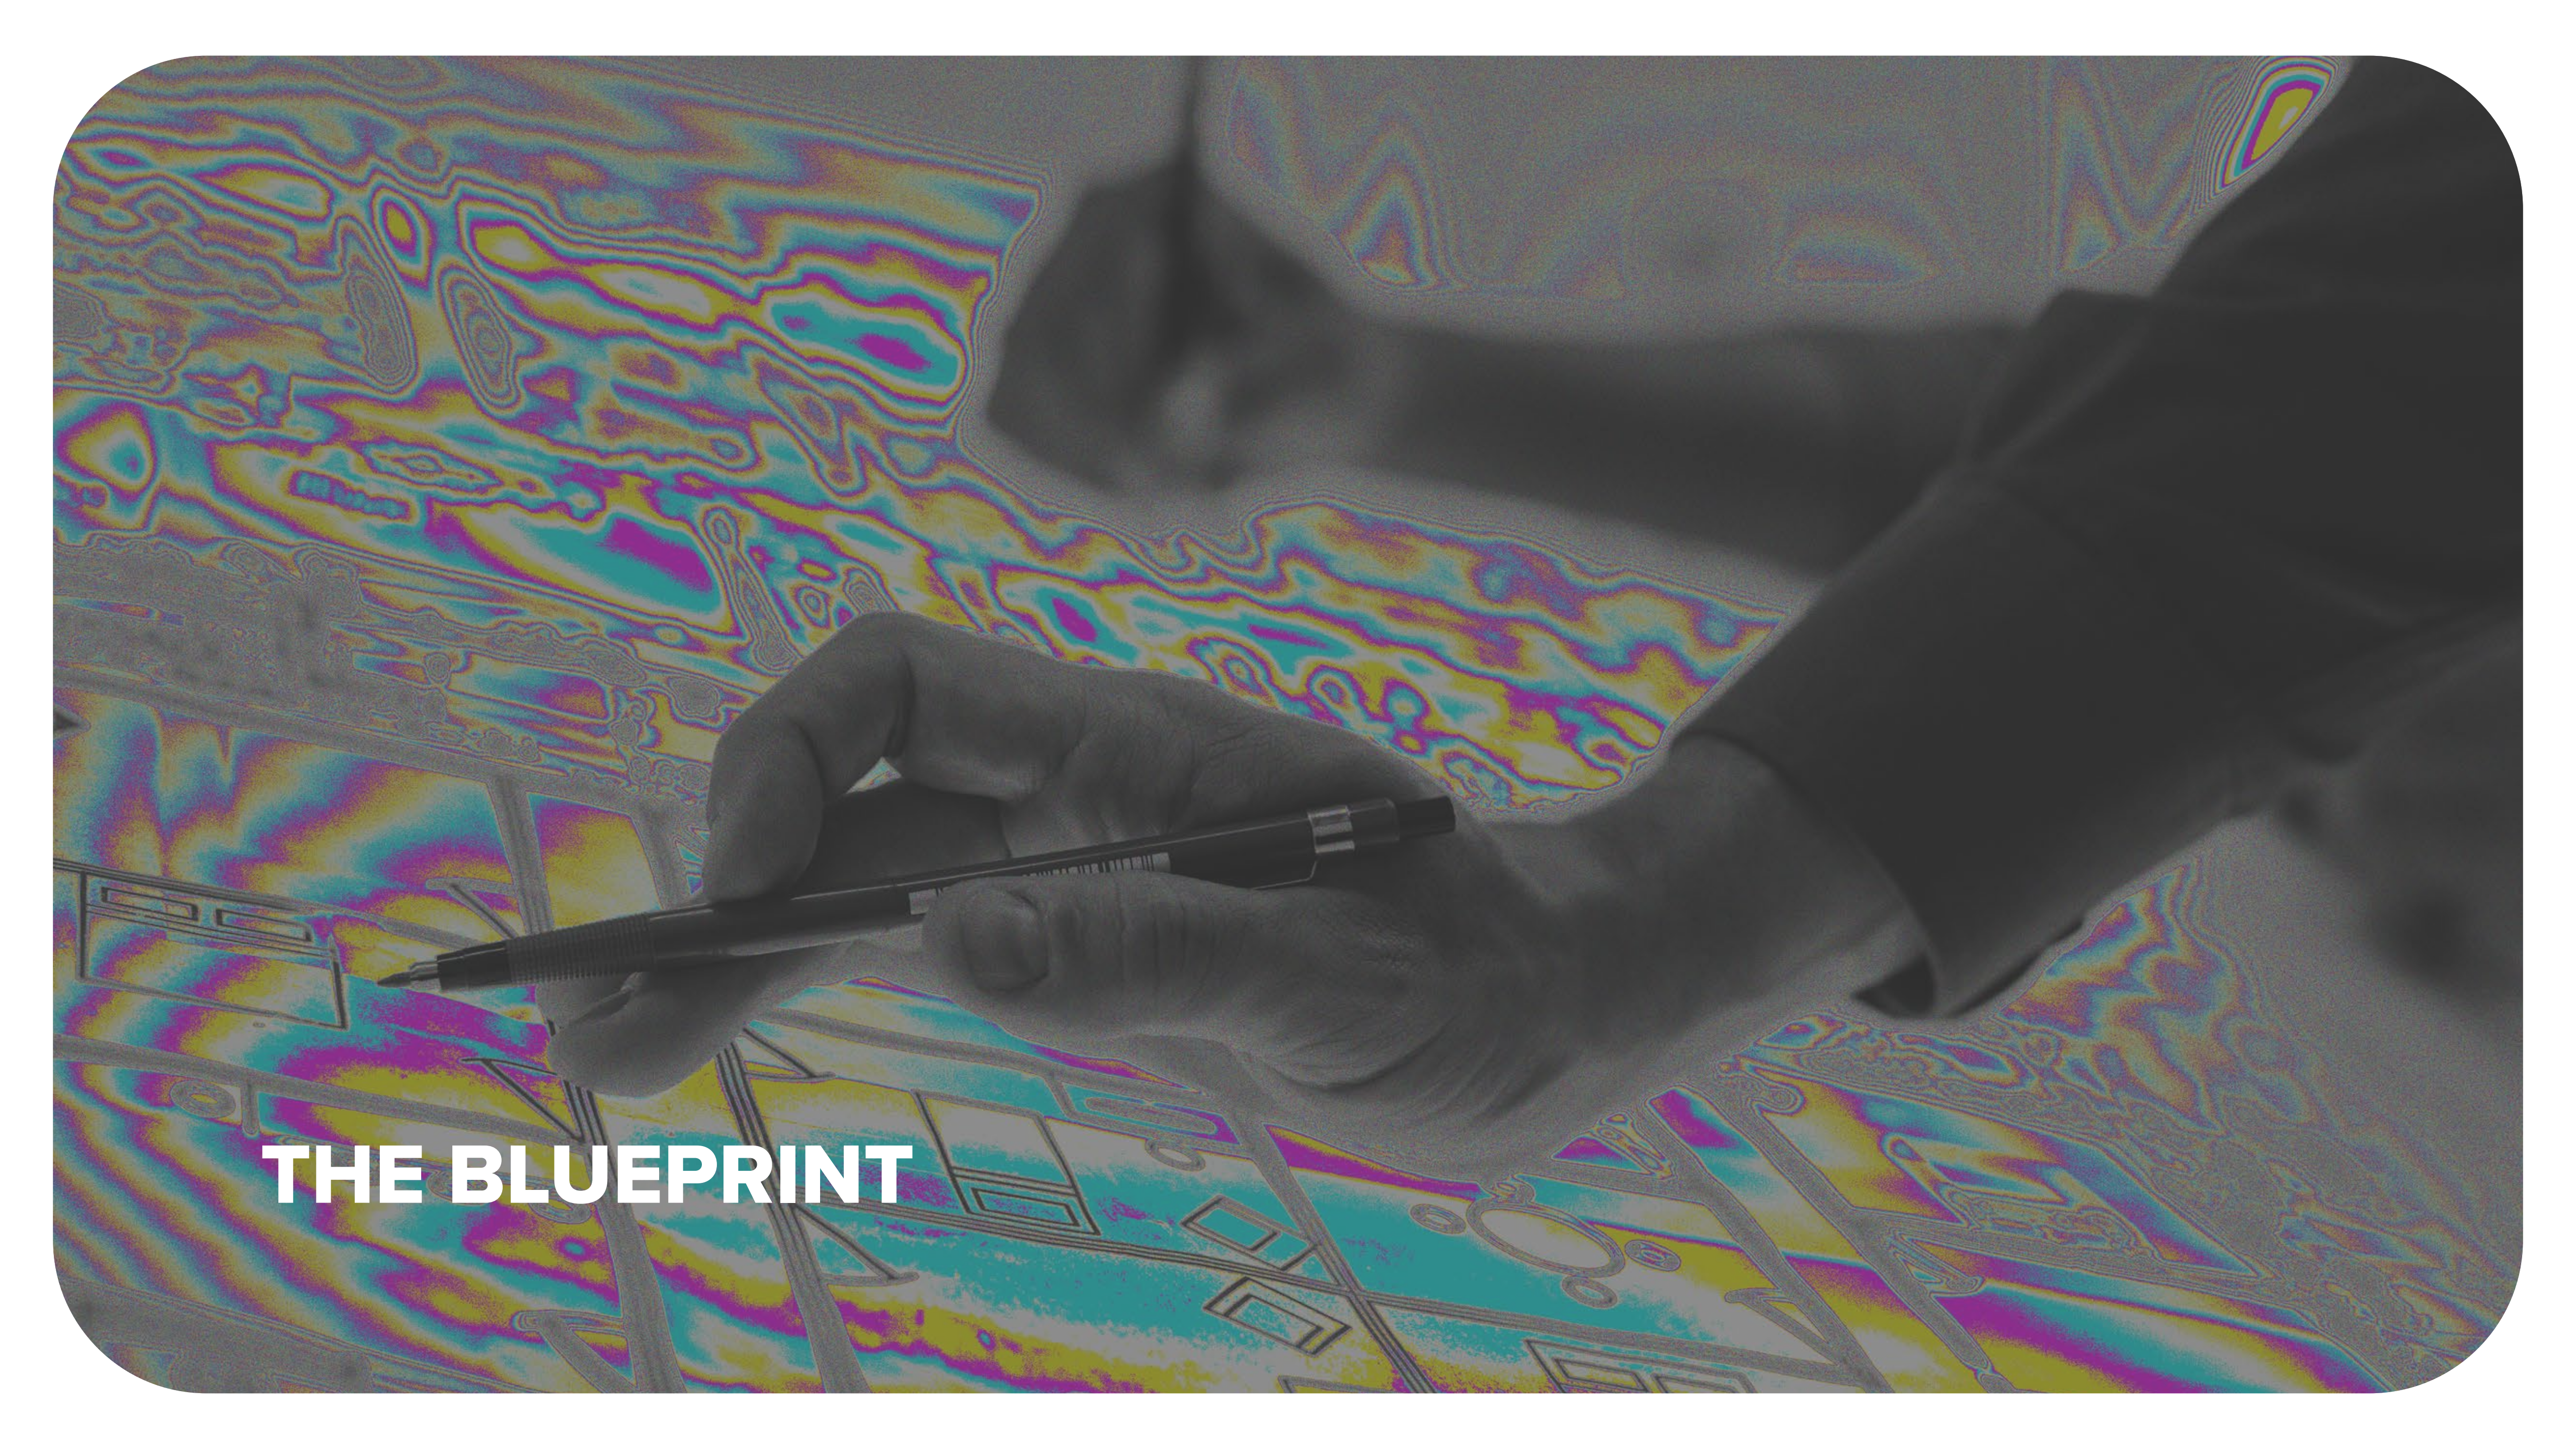

PENTHOUSE

A modern penthouse bedroom featuring a large bed with a white quilted duvet and several pillows, including a patterned one. The bed is flanked by two light-colored wooden nightstands, each with a lamp. Above the bed is a large abstract painting with geometric patterns. The room has light-colored walls, a wooden floor, and a patterned rug. An air conditioner is visible on the left wall.

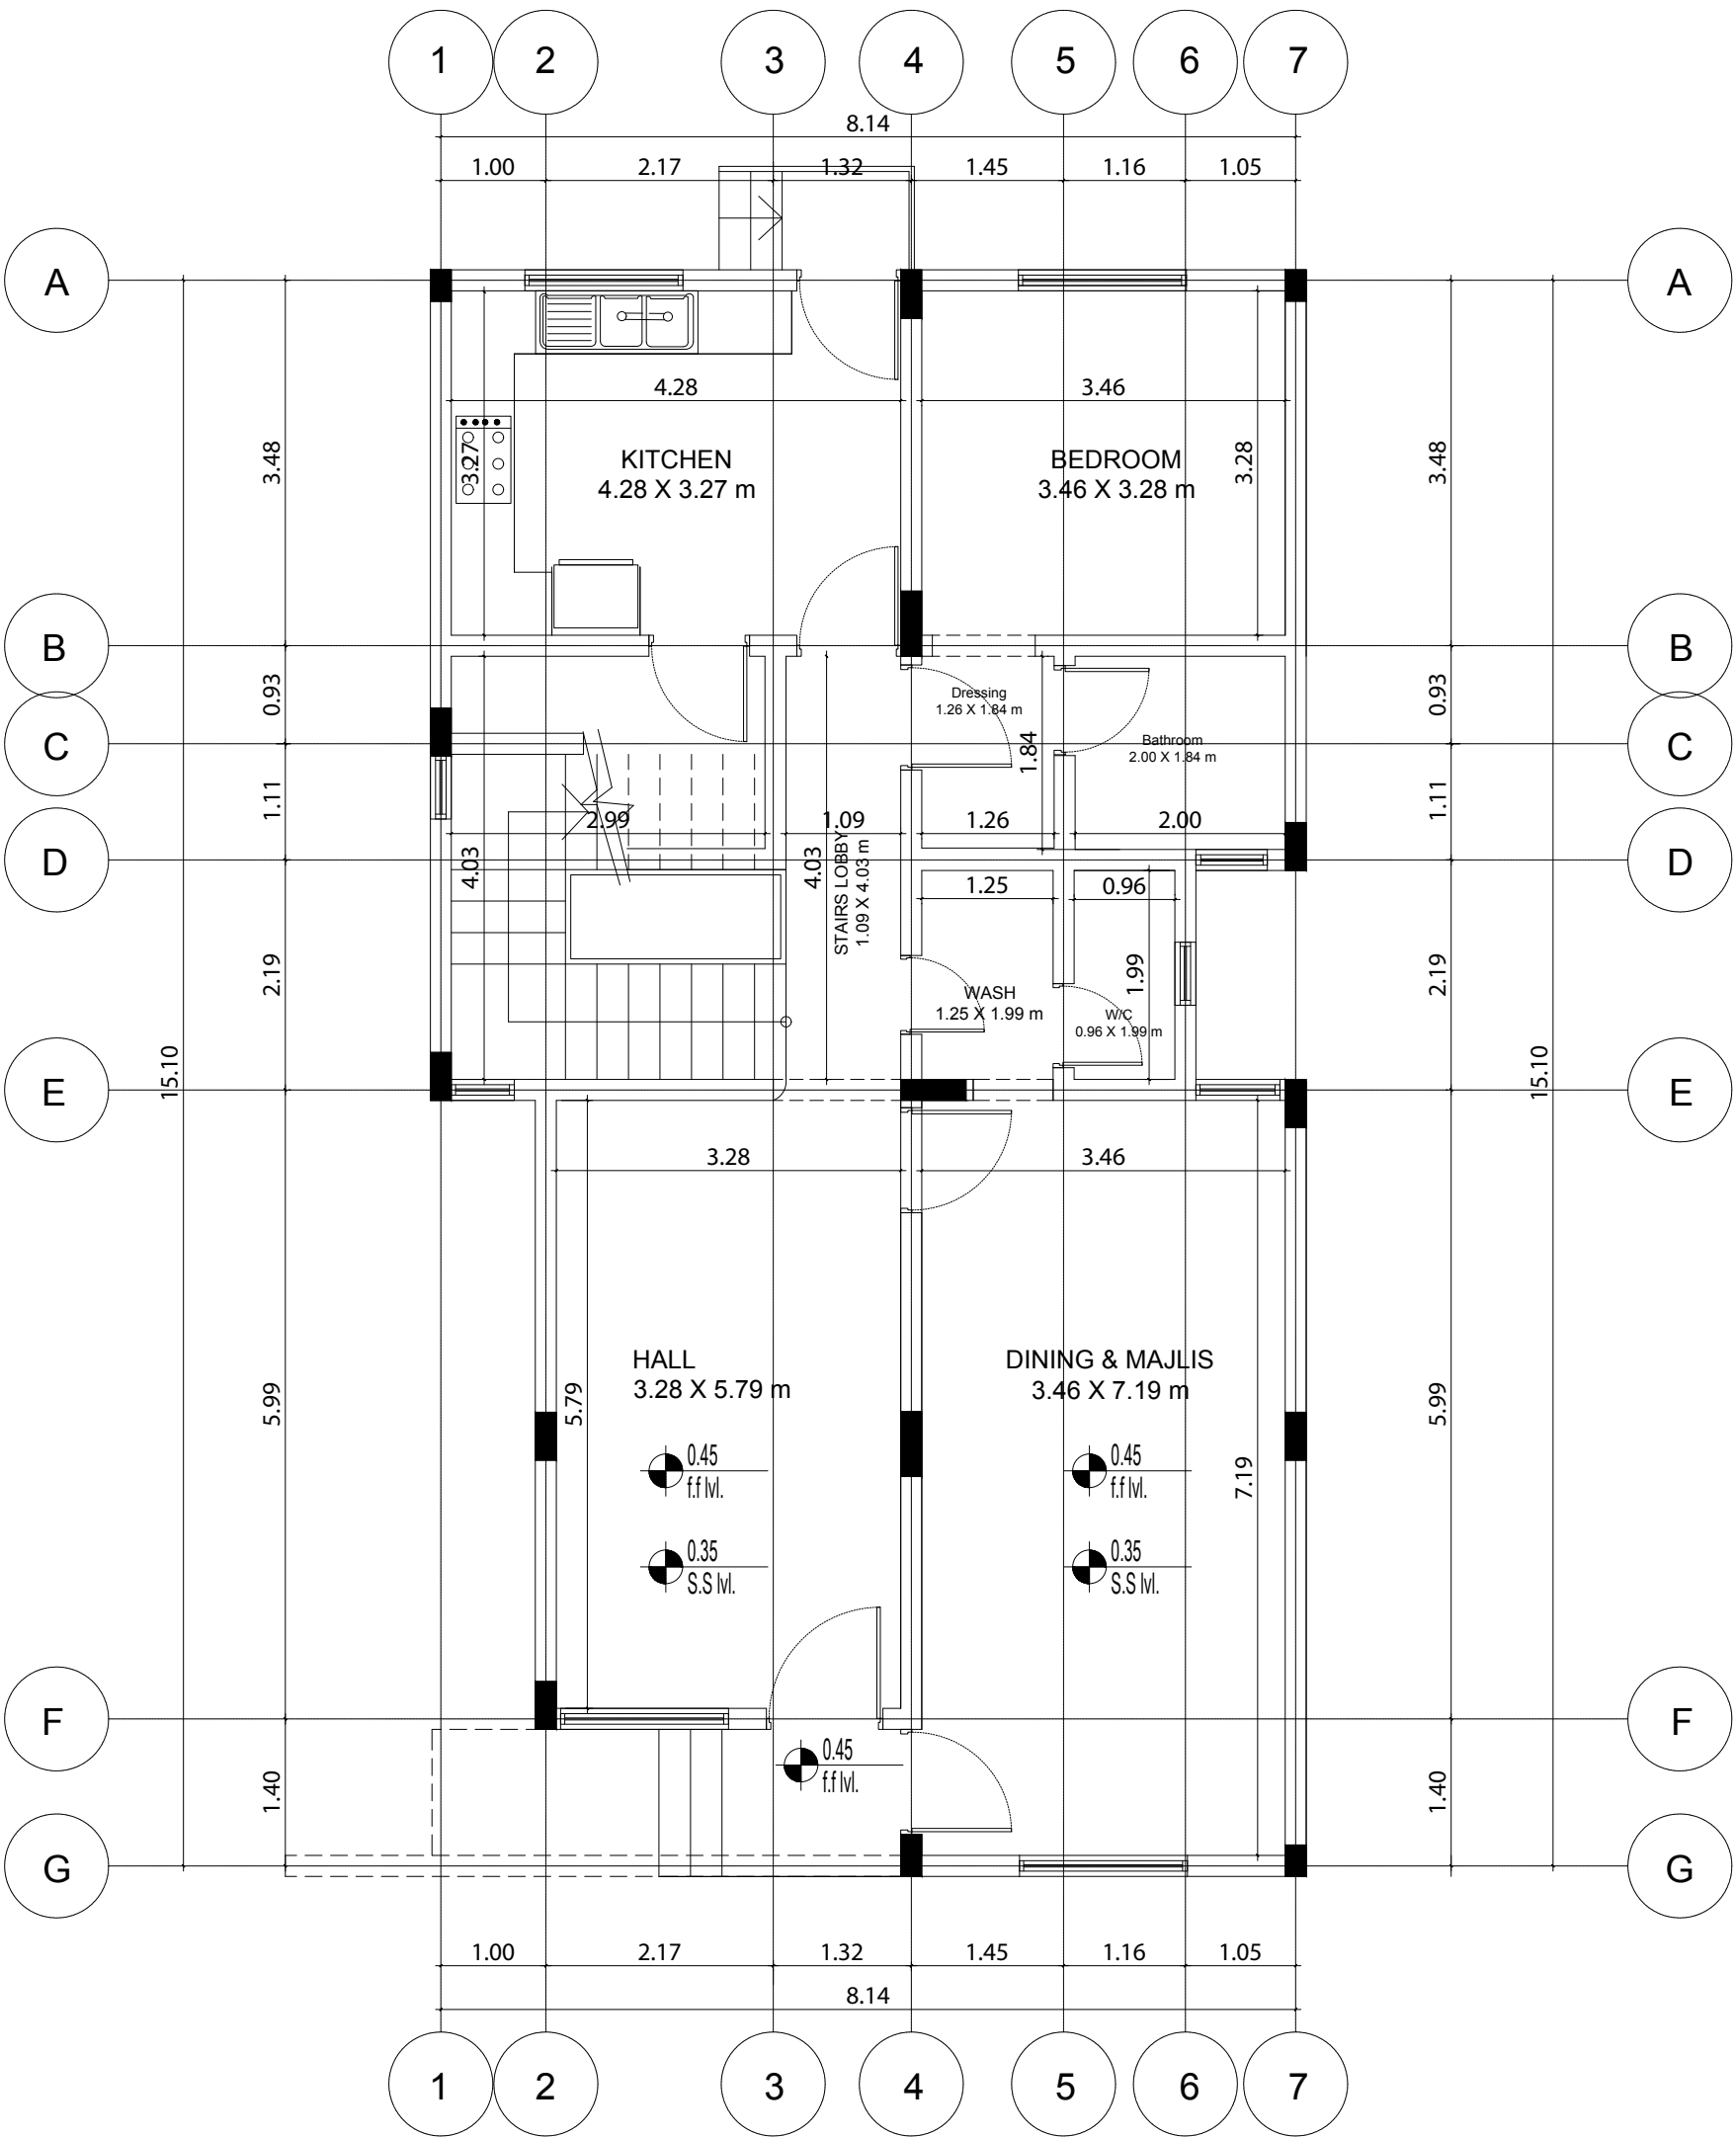

PENTHOUSE BEDROOM

PENTHOUSE

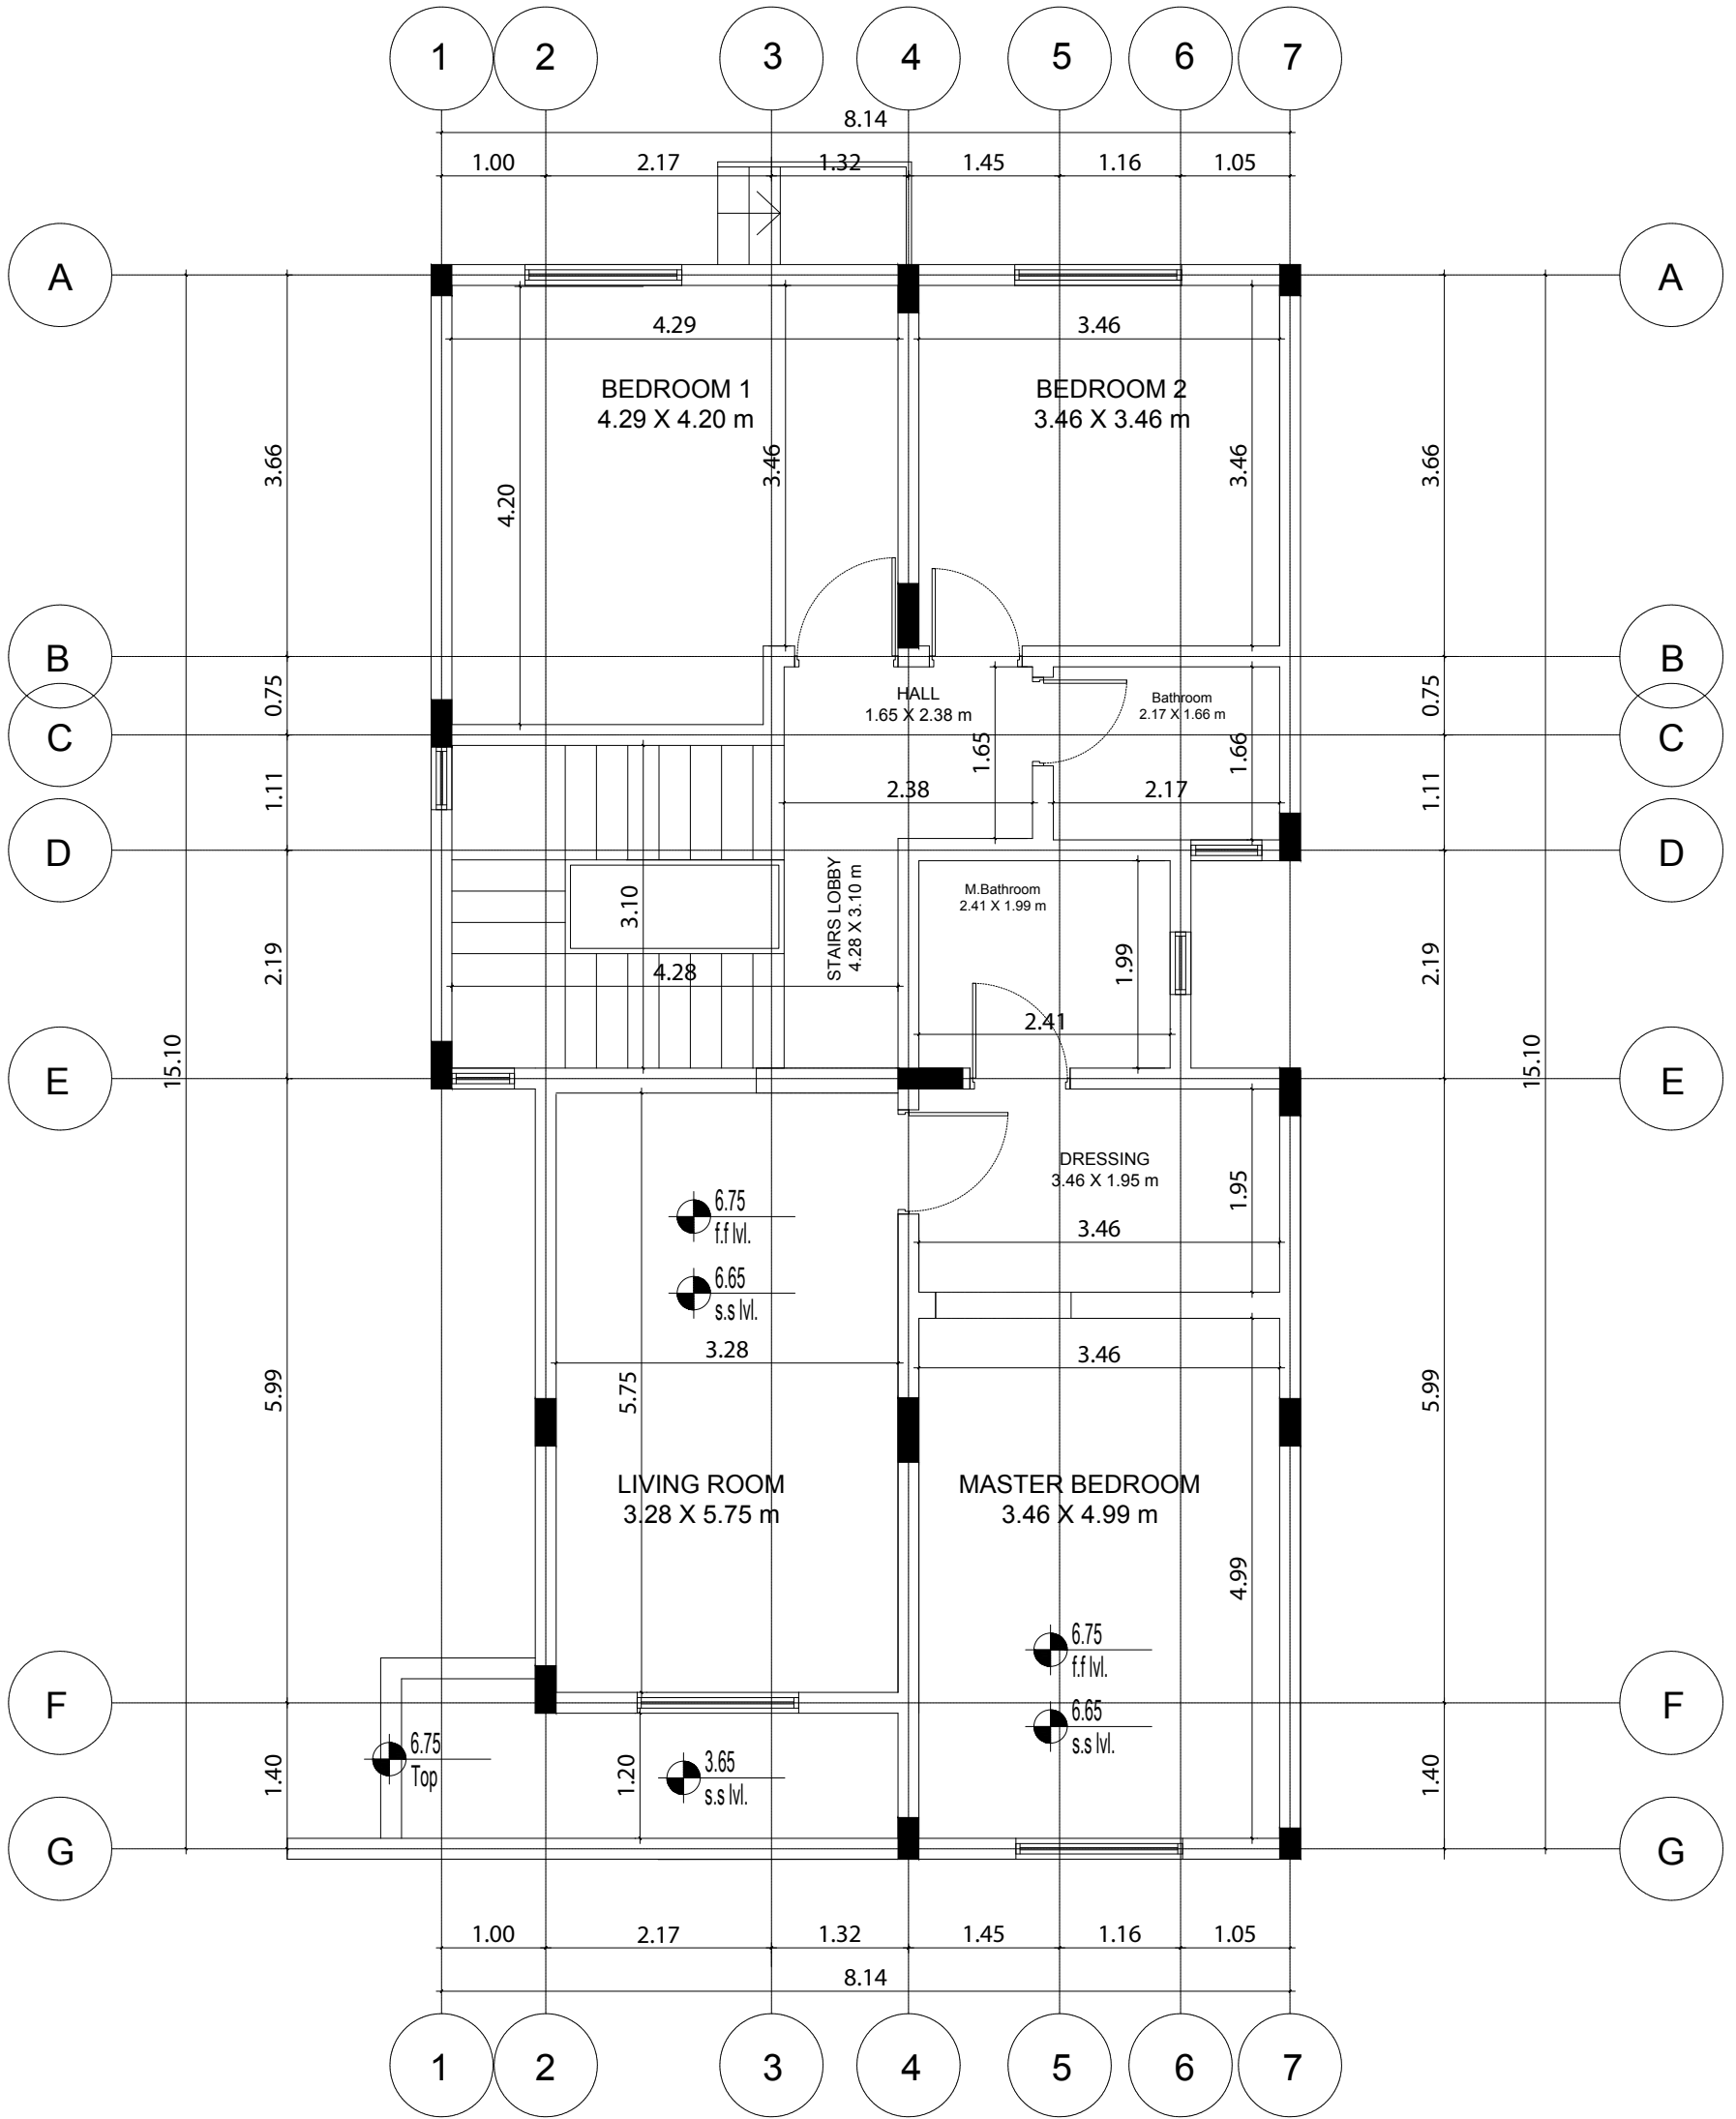

A hand holding a black pen is positioned over a blueprint. The blueprint features architectural drawings of buildings and streets. A vibrant, colorful, wavy pattern, resembling a topographical map or a liquid effect, is overlaid on the entire scene. The colors range from deep blues and purples to bright yellows and oranges. The overall image has a dark, moody atmosphere with the colorful pattern providing a striking contrast.
